

REMARKS

Taking note of the fact that independent Claims 36 and 74 cover the material shown in application Fig. 19 in combination with application Figs. 5A and 5B, a correction has been made in the material on specification page 55 dealing with Fig. 19 to change feedforward section "1902" to feedforward section "1901" as shown in Fig. 19 and as described earlier in the specification. The equation $a''_k = a'_k - a''_k$ imbedded in the material on page 55 has also been reformatted to be clearer.

Please telephone Attorney for Applicant(s) at 650-964-9767 if there are any questions.
